SUMMARY

Enthusiastic computer Science Student at modern college ganeshkhind with a keen interest in programming and problem – Solving Dedicated to expanding knowledge in Software development.

EDUCATION

Modern college Arts , Science and Commerce , Ganeshkhind	July 2022 – Present
BSc in Computer Science CGPA: 9.46/10 Grade: O Percentage: 90.35	Pune, Maharashtra
MJS college Shrigonda, Ahmednager	
HSC (Science)	July 2018– April 2020

PROJECTS

i) RozzgarSetu | Full Stack Web Development | 2024 – Present

Built a daily worker-finding platform to connect farmers with local laborers for farming work. The system captures worker details (name, phone number, Aadhaar, preferred work area), allows workers to mark their daily availability, and enables farmers to view available workers.

Technologies Used: HTML, CSS, PHP, MySQL

ii) Farming Equipment Rental System | Full Stack Web Development | 2024 – Present

Developed a platform that allows farmers to rent and purchase farming equipment easily. The system includes features like equipment listing, search by category, booking, and secure payment integration. It also includes automated tasks like scheduled equipment removal using cron jobs.

Technologies Used: React.js, Node.js, Express.js, MongoDB

iii) Virtual Friend | Python | Aug 2022 – Sep 2022

Created an interactive electronic device that communicates with users, responds to inputs, and supports basic search functionalities. The device is designed to detect depression-related words and provide positive and supportive responses to users.

Instruments Used: Arduino Uno, various sensors, speakers

EXPERIENCE

HUMMINGBYTE Technologies Pvt. Ltd | Software Developer Nashik | Remote | May 2024 – July 2024

- Worked on full-stack development projects with a focus on backend logic and UI integration.
- **Technologies Used:** Java, Spring Boot, Databases, HTML, CSS

INTERNPE | Web Developer Intern Jaipur, Rajasthan | Remote | Jan 2024 – Feb 2024

- Developed small-scale websites as part of a structured web development internship.
 - Strengthened knowledge in front-end and back-end web technologies.
 - **Technologies Used:** HTML, CSS, JavaScript, PHP
-

SKILLS

Technical skills : Java , HTML/CSS, MERN , JavaScript

Soft skills : Leadership , team player ,Communication

ACHIEVEMENTS & EXTRA CURRICULAR ACTIVITIES

- Winner of Avishkar (Competition at institute level)
 - 1st Ranker in FY , SY ,TY(Sem5) Class
 - Mathematical Hockey competition (2nd team rank)
 - Winner Volleyball Sport (As a Captain in FY -2022)
 - Interaction event Winner of (Grab the Opportunity , Assemble it , Presentation)
-

INTERESTS

- Teamwork • Volunteering • Traveling • Playing Volleyball • Listening Music
